From Mrs Clifford

Congratulations to the pupils in Year 3 who performed so well in their production of "Theseus and the Minotaur" this Wednesday. On the same day, Isabel and Taylor Highsted were Headmistresses for the day and they excelled in this role by taking Prayers, performing duties and teaching lessons. This was certainly an excellent silent auction prize at the Ball!

Medicines in Junior House

I would like to remind parents that all medicines – prescription or otherwise, must be left with Mrs Lowen-Cooper in the School Office please. Medicines should also be brought to school in the original container, with the dispenser's instructions. Please do not bring medicine in a syringe or other container.

Thank you
From Mrs Honiball

Summer Drumming at St Michael's Church

There is a Summer Drumming workshop on 25th July at St Michael and All Angels Church. The workshop is specifically enabled to include anyone who might not feel particularly musical. Using an intriguing variety of world drums and percussion instruments, music is created together. Players at all levels are quickly involved, using various skills during the session. Whether you want to de-stress and drum, create instant percussion arrangements or experience your community in a whole new way, this might just be the place to do it.

Thank you

From Rev Camilla Walton
