

# High March School Bulletin

Week 5 05.02.16

## From Mrs Clifford:

I do hope that parents and friends enjoyed our two services yesterday held at St Michael and All Angels Church to celebrate the School's 90th birthday. It was a wonderful opportunity to commemorate nine decades of the School's history through song, dance and recitations and proved to be an uplifting experience for all involved. My thanks go to all of the girls, boys and staff for their performances. In particular we are very grateful to Mrs Bissett for the programme covers, Mr Elliott for the music and Mrs Faber for the choreography and recitations. Happy birthday everyone!

I shall not be in School again until after half term as I am leading the Year 6 ski trip. If any parents have any concerns please do contact either Mrs Honiball at Junior House or Mrs Stuhldreer at Upper School.

### **New proposed Local Town Plan**

The existing Local Plan (which contains planning policies which govern what can and can't be built) is going to be replaced. This is very important for the town, not least because we can quote policies from the Local Plan when we want to object to planning applications.

SBDC are running a public consultation from now until 5pm on 14 March. You can have your say about what you want to see in the new Local Plan by completing the Response Form on the SBDC website - these forms should also be available in Beaconsfield library. This is an important public issue as the new Local Plan will govern planning policy until 2036. Suggestions could be that there are too many flats; we need safeguards for basement conversions, to protect space between houses so there is no cramming, to protect density of housing and the character of our woodland roads. In fact whatever issues are important to you.

There is a public meeting concerning this at the Town Hall on 5 February at 7:30pm.
