

High March School Bulletin

Week 11 06.0718

From Mrs Clifford:

The social event of the year took place last Saturday at the Hall Barn Estate in the old town. The High March 'One Night in Venice' Ball was a huge success with fine dining, exciting auction and raffle prizes and dancing to the band, MIB. Guests are still talking about it and we have already been asked when the next ball will take place! My thanks go to Mrs Sarah Smith and the rest of the Ball Committee for all the hard work and preparation that went into making the ball such a success. Thank you also to those members of the Social Group who organised the silent auction and the raffle and also to my PA, Mrs Tanya Crockford, and the rest of the High March Admin Team who helped behind the scenes.

It was a pleasure to welcome parents and friends to Nursery Sports last Friday morning. It was interesting to witness the range of "strategies" employed by the children as they entered into the spirit of the event. Some definitely had a more competitive nature than others! They were all thrilled to receive their medal, however, and I am sure that parents are looking forward to their concert next week.

At the time of writing I am very much looking forward to welcoming the parents in Upper School to our annual Prize Giving. This is always a lovely occasion when we celebrate the achievements of the girls by reviewing the past year and presenting prizes and certificates. Highlights will also include choral items, the Head Girls' speech plus other solo items and recitals.

“One Night in Venice”

The High March Ball Committee would like to extend their grateful thanks to all the scores of people who helped to make last Saturday's Ball such a stunning evening. Thank you to our sponsors, donors of prizes, advertisers and all parents and staff who supported us in so many ways over many months. Particular thanks go to Kate Harman, Nicola Norris, Michelle Murad and all the Social Group members for their great work on the Silent Auction and Raffle.

The High March Admin Team deserve grateful thanks for all their hard work behind the scenes, with a special mention for Tanya Crockford for juggling Ball communications interwoven amongst so many other Summer Term events in a busy School Office! We await a final total of funds raised but hope to be able to announce this before the end of term.
