

High March School Bulletin

Week 9 17.06.16

From Mrs Clifford:

With an ISI Inspection Team in School on Tuesday and Wednesday, it has certainly been a busy week! Although the findings are confidential until the report is published, I am delighted to write that the inspection went very well. At the feedback, the Reporting Inspector was most complimentary about our pupils, the teaching, pastoral care and facilities at High March. Much of the feedback will sadly not appear in the final report as there is very little detail in a Compliancy Inspection Report, but a hard copy will be sent to all High March families as soon as it is published.

We are looking forward to a very busy time next week with our Leavers' Barbecue, Year 6 production of "Grease" and Senior Sports Day. Information regarding these events has been sent out under separate cover and I look forward to welcoming as many parents as possible to these very special occasions in our school year.
