

**Art and Design Technology Technician (15 hours per week),
with Science Technician (2 hours per week)**
(Closing date for applications: Monday, 29 April, 2019)

A vacancy is available from 1 September 2019 for a creative and practical person to work primarily in our thriving school Art and DT department and additionally in our Science department.

Excellent machine sewing skills are required.

An interest in a variety of other arts and crafts eg pottery, photography, silk painting etc would also be an advantage. The successful applicant will be required to prepare materials for pupil use, assist pupils with tasks, maintain equipment for use and display work.
