

It's been another fantastic year for the High March Social Group. The group - made up of volunteer mothers from various school years - work hard throughout the year to organise fun events and social gatherings for the children and parents at High March.

The aim of the group is to support the High March community by providing fun opportunities for parents and pupils. In addition, where possible, they also fundraise for the benefit of the school and its associated charities.

This year proved to be another exciting and very busy year for the Group with discos, craft parties, the Christmas Fayre and an extremely enjoyable quiz night. A total of £9481 was raised, which will be used to benefit pupils through the whole school. Twenty percent of all funds raised is donated to charity and this year the Group agreed to add these funds to those raised by the One Night In Venice Ball. £1800 was handed over to the Ball Committee and will be split between three Charities: The Niemann-Pick Research Foundation, Roald Dahl's Marvellous Children's Charity and the NSPCC.

Purchases for High March pupils to date include:

- 10 Learn Pads for Upper School
- Sewing Machine for Upper School
- Interactive theatre days for Junior House

We could not have done this without the incredibly generous and supportive High March parents, as well as the local businesses in Beaconsfield, so a big thank you to you all!

The volunteers on this year's Social Group are generous, creative people who give up their precious time for the good of the School community. They deserve a very special thanks for all of their hard work and dedication.
